

Sustainable Development Goal indicators

Course: **SDG Indicator 5.a.1 - Equal tenure rights for women on agricultural land**

© International Maize and Wheat Improvement Center/Flickr5101030282

This course focuses on SDG Indicator 5.a.1, which is one of two indicators that focus on women's ownership and/or control over agricultural land. As this is a statistical based indicator, after introducing its key concepts, definitions and rationale, the course offers detailed guidance both on data collection and manipulation, and computation of the various sub-indicators.

2.5 hours

Available in English

You will learn about

- Experience-based food security measurement, and its role in the SDGs
- Explanation of the key phrases used within the 5.a.1 Indicator
- Suitable data sources to use and selection processes and questions to capture the reference population, including harmonization with other SDG indicators
- Data manipulation and computing of Indicator 5.a.1

Sustainable Development Goal indicators
